Each residence has been designed to make use of the wonderful Cyprus environment and year-round good weather to create a restful and comfortable living experience. The mosaic tiled private pool is surrounded by a walled garden with a spacious terrace for sunning and dining al fresco.

Inside you may find an open plan living area with a large modern kitchen, an adjacent dining area, and a salon with floor to ceiling sliding double glazed doors leading into the garden. Upstairs are the 2 or 3 large bedrooms, one with an en-suite bathroom.
