This exceptional residential development features two blocks with sixteen apartments in total thoughtfully designed, offering a perfect blend of comfort, style, and functionality.

On the ground floor, each building includes two spacious 3-bedroom apartments, complete with private yards and large verandas that invite abundant natural light into the living spaces. The first floor offers four elegant 2-bedroom apartments, each with generous covered balconies — ideal for relaxing and enjoying the Mediterranean lifestyle. On the second floor, residents can enjoy two impressive 3-bedroom apartments, featuring large uncovered balconies with breathtaking views, creating the perfect setting to embrace the beautiful Cyprus climate. Every apartment in the project benefits from ground-floor
