Offering an exceptional opportunity to acquire a contemporary off-plan home, this 109 m² apartment in Kamares combines modern design with sweeping city and sea views. Planned for effortless Mediterranean living, the residence presents an ideal choice for professionals, couples, or small families seeking quality and comfort in a prime setting.

Step inside to discover a fluid open-plan layout that maximizes natural light throughout the day. The thoughtfully planned interior accommodates two spacious bedrooms and two sleek bathrooms, creating a balanced flow between private retreats and inviting social zones. With convenient elevator access within the building, daily routines are made easy and accessible.
